[AMCB Board Certification Pass Rates](#)

[NCC Board Certification Pass Rates](#)

The Midwifery Program at Georgetown University School of Nursing presents their programmatic outcomes data below.

Matriculation Year (Spring, Summer, Fall Terms)	Number of PT students matriculating in this cohort	Goal for On-time Graduation (%)	Number Who Left Program or Were Dismissed	Final Graduation Rate ((B+C)/A)
Part-time MS-NURO Students: Seven 15-week terms				
2024	63	70%	3	Not Available
2023	45	70%	5	Not Available
2022	81	70%	7	Not Available
2021	74	70%	23	69.00%
2020	75	70%	25	94.33%
2019	61	70%	10	70.49%
2018	94	70%	22	74.47%
Part-time BSN-DNP Students: Eleven 15-week terms				

Matriculation Year (Spring, Summer, Fall Terms)	Number of PT students matriculating in this cohort (A)	Goal for On-time Graduation (%)	Number Who Left Program or Were Dismissed	Final Graduation Rate ((B+C)/A)
2024	2	70%	1	Not Available
2023	0	70%	N/A	N/A
2022	6	70%	0	Not Available
2021	4	70%	1	Not Available
2020	6	70%	2	67%
2019	4	70%	2	50%
Full-time BSN-DNP Students: Eight 15-week terms				
Matriculation Year (Spring, Summer, Fall Terms)	Number of FT students matriculating in this cohort (A)	Goal for On-time Graduation (%)	Number Who Left Program or Were Dismissed	Final Graduation Rate ((B+C)/A)
2024	3	70%	0	Not Available
2023	4	70%	0	Not Available
2022	4	70%	0	Not Available
2021	2	70%	0	Not Available
2020	2	70%	0	100.00%
2019	2	70%	0	100.00%

Note. Final graduation rates are based on the graduate school policies for total length of time in a master's program (3 years) and doctoral program (5 years). The NM/WHNP BSN-DNP Program launched in 2019. Where data is "Not available", students in these cohorts are still enrolled and working towards completion. Data will be posted as is available. Due to the COVID-19 pandemic, students in all programs experienced significant clinical interruptions that have caused extended time enrolled in the program or clinical track changes to the GUSON WHNP Program.

The Nurse-Midwifery/WHNP Program at Georgetown University School of Nursing presents their AMCB reported pass rates below.

AMCB Certification Rates

Year	Number of Graduates	Board Pass within 1 Year	% Passed within 1 year	Board Pass within 2 year	% Passed within 2 years
2022	63	59 ^a	97%	0	97%
2023	87	85	98%	TBD	TBD
2024	65	TBD	TBD	TBD	TBD
TOTALS	215	144 (YTD)	97.5%	0	97.5%

Note. The data reflected in this table has been verified through the American Midwifery Certification Board (AMCB). ^aTwo graduates accounted for here did not attempt to take AMCB boards, opting to practice under their WHNP through NCC board certification. YTD = Year to Date

AMCB Pass Rates

Year	Number of Test-Takers	National Average First Pass (%)	GUSON Average First Pass (%)	GUSON Average Total ^a Pass (%)
2022	77	81.00	85.50	78.00
2023	84	79.74	87.67	83.33
2024	106	75.43	81.44	80.19
TOTALS	267	78.72	84.87	80.51

Note. The data reflected in this table is reported by the American Midwifery Certification Board (AMCB). ^aTotal pass includes both first time and repeat test-takers.

The NM/WHNP & WHNP Programs at Georgetown University School of Nursing presents their NCC reported pass rates below.

NCC Pass Rates

Year	Number of Test-Takers	National Average First Pass (%)	GUSON Average First Pass (%)	GUSON Average Total ^a Pass (%)
2022	89	89	100	100
2023	97	87	97.92	96.91
2024	118	79	90.27	90.68
TOTALS	304	85	96.17	95.9

Note. The data reflected in this table is reported by the National Certification Corporation (NCC). ^aTotal pass includes both first time and repeat test-takers.
