†Please Note: Students must enroll in PUBH 6023 Interprofessional Education Experience (IPE) at any point after completing the following MPH prerequisite courses: PUBH 6002, 6003, 6007, 6011, 6012 and 6021, or after completing at least 20 credits of their MPH degree. The IPE is a one-time, zero-credit required activity graded as credit/no credit. Please see PUBH 6023 [IPE webpage](#) for more information.

***Note:** Students are required to review preparatory Applied Practice Experience materials prior to registering for PUBH 6000. Students cannot register for PUBH 6000 nor begin logging practicum hours until their practicum is approved. Upon completion of the 120 hour required Practicum, students will receive credit for PUBH 6000.
