†Please Note: PUBH 6023 Interprofessional Education Experience (IPE) is a graduation requirement that may be taken in any term after completing the following prerequisite courses: PUBH 6002, 6003, 6007, 6011, 6012 and 6021, or after completing at least 20 credits of their MPH degree. The IPE is a one-time, zero-credit required activity graded as credit/no credit. Please view the [IPE webpage](#) for more information.

***Note:** Students are required to review preparatory Applied Practice Experience materials prior to registering for PUBH 6000. Students cannot register for PUBH 6000 nor begin logging practicum hours until their practicum is approved. Upon completion of the 120 hour required Practicum, students will receive credit for PUBH 6000.
