*The University bills directly for tuition and fees. Fees are reviewed annually and increases go into effect in May, at the beginning of the Summer term.

An estimated tuition increase of 4.95% is incorporated in future academic years for budgeting purposes.

**Books, transportation, personal expenses, and immersion expenses shown above are average costs and are not included on the semester bill

***The required immersion takes place during the term in which the student is enrolled in GNUR-571 (PMHNP Part-time track: Term 3).

Immersion expenses are estimated using [GSA Per Diem Rates](#).

****Fisher Nursing Online uses a standard academic year financial aid packaging model. Students may borrow a maximum of \$20,500 per academic year.

*****Because the last two terms of the PMHNP part-time program are less than 6 credits, these terms not eligible for federal financial aid.

Students are encouraged to look for alternative sources of financing, such as private education loans, to fund these terms.
